NOTE: OPERATION PERFORMANCE MAY BE AFFECTED BY SURROUNDING STRUCTURES AND EQUIPMENT. THE USER SHOULD NOT CHANGE OR MODIFY THE EQUIPMENT. AS TAMPERING WILL VOID THE USER'S AUTHORITY TO OPERATE THIS EQUIPMENT. THE PRODUCT'S OPERATION & OPERATING RANGE WILL BE DEGRADED UNDER A HIGH STATIC ENVIRONMENT & UNDER BRIGHT LIGHT.

Safety Tip:  
NEVER point the infrared light at eyes!  
NEVER drive your vehicle on streets!  
DO NOT pick up vehicle while in motion!  
DO NOT drive over water or snow!  
Keep fingers, hair and loose clothing away from tires and the wheel hubs while the vehicle is switched ON!

IMPORTANT: Both Laser Battle Hunter and Remote Controller had a high power consumption even when not in use as it still in playing mode (indicator lamps ON/Blinking). Please switch OFF the units (indicator lamps OFF) after play to avoid battery power lost.

IMPORTANT: The product function may be impaired when used under bright internal lighting (e.g. fluorescent or halogen) or bright direct sunlight.

IMPORTANT: Both Laser Battle Hunter and Remote Controller had a high power consumption even when not in use as it still in playing mode (indicator lamps ON/Blinking). Please switch OFF the units (indicator lamps OFF) after play to avoid battery power lost.

IMPORTANT: EPILEPSY WARNING:  
Please do not expose the product or allowing children to use it. Some people are liable to an epileptic seizure or loss of consciousness when exposed to flashing lights or certain normal conditions of everyday life. Such persons could risk a seizure when viewing the lights and this product. They could also risk a seizure when exposed to certain types of video games. If you or a member of your family has ever shown epileptic symptoms when exposed to flickering lights, you should consult your doctor before using this or any other similar product.

ATTENTION! If the game units are exposed to high static environment such as a monitor or television screen, they may cause static interference. This does not cause harmful interference to radio or television reception, which can be avoided by turning off the unit. The user is encouraged to try to correct the interference by reorienting the receiver antenna.

The Autonomous Laser Battle Hunter will run for 1 minute. Use your OFF mode Laser Battle Hunter to shoot the Autonomous Laser Battle Hunter as many times as possible as it moves around and tries to stop it autonomously.

SCORING

To clean, wipe excess dirt from vehicle and controller. Remove batteries first. Wipe vehicle and controller with wet cloth using plain water. Then wipe dry. DO NOT IMMERSE IN WATER and DO NOT GROW VEGETATION ON THE CONTROLLER WITH ANY CHEMICAL. Let the vehicle and controller dry completely before inserting the batteries back into the battery compartment.

CLEANING INSTRUCTIONS

To clean, wipe excess dirt from vehicle and controller. Remove batteries first. Wipe vehicle and controller with wet cloth using plain water. Then wipe dry. DO NOT IMMERSE IN WATER and DO NOT GROW VEGETATION ON THE CONTROLLER WITH ANY CHEMICAL. Let the vehicle and controller dry completely before inserting the batteries back into the battery compartment.

No drifting

Some surfaces are easier to drift on than others - the smoother the surface the easier the drift.

IMPORTANT! TO PRESERVE BATTERY LIFE, PLEASE SWITCH OFF BOTH THE VEHICLE AND THE CONTROLLER WHEN NOT IN PLAY.
